The diagram shows a sewing pattern for a skirt. It consists of a large rectangular piece on the left, which is the main body of the skirt, and several vertical strips on the right, which are the layers of the waistband. The waistband layers are shown with different line styles: a solid line for the outermost layer, a dotted line for the next, a dashed line for the next, and a dash-dot line for the innermost layer. The main body of the skirt is outlined with a solid line. The pattern is labeled with '1.8' and the text 'vikisews.com @vikisews Ася'.
